INSTALLATION | CALIBRATION | PROGRAMMING | MAINTENANCE & OPERATIONS | INDUSTRY SUPPLY

### INDUSTRY SUPPLY

- Parts available in stock

### LINE HEATER/REBOILER CONTROL PACKAGES

- ACL
- Profire
- GOR Testing
- Burner Management (B149.3)
- Flu Gas Analyzer

### RTU AND ELECTRONIC MEASUREMENT DEVICES

- Allen Bradley
- Control Wave
- FloBoss
- SCADAPack
- Zedl

### TEMPERATURE MEASUREMENT

- Several makes and sizes of thermowells, RTDs, and thermocouples

### ORIFICE MEASUREMENT

- Senior and junior orifice changers
- Plates and seal rings

### BAKER STYLE MANUAL INJECTION PUMPS

- Supply and repair all styles and pressure ranges

### CUSTOM CONTROL PANELS

- Custom panels built in house to suit your measurement and control needs
- Industry Certified Panels

- Full calibration services
- Cloud based server
- Dashboard monitoring
- Maintain regulatory compliance
- SCADAPack

- ABSA certified
- BCSA certified
- B149.3 compliant

- Multi gas detector with a battery life of months instead of hours

- Glycol heat trace systems
- Pneumatic, 12/24 VDC, 110 VAC

- Variety of combustible/toxic gas detectors and flame detection
- UV/IR test lamp, calibration gas available in stock for calibration and function testing

- Pumps (Supply & Install)

- Stainless tubing includes spools of "endless" and poly tubing
- 1/4"-3/4" tubing and fittings

- Floboss 103/107
- ROC
- Fisher control valves and regulators
- DVCs
- Pressure/MVT/temperature transmitters
- 4150,4160,Wizard 4194,4660, etc.
- 2500 and L2 level controllers

- Liquid filled/dry gauges

- POC
- Hybrid separator

- Liquid measurement turbine
